

A little help, right where you need it.

Print at 100% on a full removable label sheet. Cut the six custom labels on the dashed outlines.

DEVICE LABEL

Tech Home Base

Device

Last checked

No passwords, Wi-Fi keys or private account details on this label.

ROUTER REMINDER

Your internet equipment.

Take a photo of the lights first. If you are unsure, stop before a factory reset.

KEEP NEAR THE PHONE

Unexpected call?

Pause before you pay.

Call back using a number you already trust.

A LITTLE CONFIDENCE

I learned how to do it myself.

One useful step at a time. Keep the instructions that help you remember.

NO QUESTION TOO SMALL

It's okay to ask again.

There is always room to repeat a step until it makes sense.

YOUR PACE MATTERS

Slow is a good pace.

Ask to go through a step again. Keep your visit notes nearby for next time.
